Re: Marcus Guinn

To whom it may concern:

I am delighted to provide this letter of recommendation for Marcus Guinn, a.k.a. Emcee One. As the project manager of the Native American Outreach Center (NAOC) of the *Parents Speak Up National Campaign* I hired Marcus as a training consultant and worked with him for over three years. Our role was to empower the parents of pre-teens and young teens across Indian Country to share their values about sexual activity with their children. Marcus played a key role in developing our training curriculum and was so effective as a trainer, master of ceremonies, and DJ for the NAOC that he was tapped as a spokesman by the national campaign.

Marcus is a natural performer who is extremely talented and intelligent. He can deliver a powerful keynote address with dignity and decorum or, just as easily, reduce the tension in a room full of uncomfortable parents with energy, sincerity and humor. Marcus is a consummate professional. I could always depend on him to be on time and well prepared for any occasion. Moreover, Marcus is a man of integrity.

If you have any questions or need further information regarding Marcus' qualifications or job performance, please feel free to contact me. If I have the opportunity to work with him again in the future, I will gladly do so.

Sincerely,

Liz Henry,
Project Manager
